

OBJECTIVES OF THE CLUB

1. Provide fellowship for those who share the common interest of woodworking.
2. Purchase and/or exchange associated materials.
3. Offer assistance and advice on the hobbies of woodturning and woodworking to all members.
4. Promote Club activities within the community as opportunities present themselves.

While essentially we are comprised of amateur woodworkers, commercial woodworkers are welcome as members, on the basis that the Club will always be an amateur, non-commercial organisation.

The inaugural meeting of the Cooroora Woodworkers Club was held at the Tewantin Scout Den on 14/12/1988. Founding and first Club President, Ron Salmon, placed an advertisement in a local newspaper and attracted about fourteen interested "woodies", of which there are still four foundation members. The Club became incorporated on the 8th of October, 1989.

Membership at present averages around 110, consisting of woodturners, woodcarvers, cabinetmakers, box makers, pyrographers, and those who like to try their hand at many different skills. We are proud to say that the Club also boasts a number of lady and younger members.

A craft demonstration, show, and sale festival has been held since 1989 and we now hold one major Show a year in September at the Cooroy Memorial Hall, in which many local groups and individuals with varying crafts and talents participate. These have now become a permanent fixture in the Club's calendar of activities. The Shows have been very well supported by generous sponsorship from the Noosa Shire Council and Cooroy businesses, and are also very well supported by the community, which looks forward to the annual event.

MEMBERSHIP INFORMATION
